

3Dz Dance - Kidz & Teenz

2026-2027

Which Program Is Right for My Child?

- Green: Fun, recreational, beginner-friendly
- Blue: Recreational with stronger skill development and performance opportunities
- Yellow: Technique, acro, strength, and athletic development
- Purple: Advanced training for dedicated dancers pursuing higher-level goals

No matter which pathway your child chooses, our goal is to provide a positive, supportive environment where every dancer can learn, grow, and thrive. ❤️

Understanding Our Program Pathways

At 3Dz Dance, we understand that every child has different goals, interests, and levels of commitment. To help families choose the program that best fits their child, we have organized our classes into four different pathways.

This's program designed for recreational or beginner. It's your choice to enroll 1 or more programs.

This's a **bundle session**, student has to take both classes together in order to enroll.

This is strongly recommend to take **Strength & Acro/Technique** together.

HEXA Dance Crew requires a long-term commitment. Auditions take place every July.

● Recreational & Beginner Programs (Click the title to view the schedule)

Designed for: First-time dancers, recreational students, and those looking to build a fun hobby. Students may enroll in one or multiple programs based on their interests and schedule.

✓ **Purpose**

- Learn dance in a **fun, supportive** environment
- Build **confidence** and **social** skills
- Develop dance fundamentals at a comfortable **pace**
- Encourage a lifelong love of movement and the arts

👏 **Perfect For**

- First-time dancers (we do offer sessions for different levels and age groups)
- Children exploring different interests
- Students looking for a fun extracurricular activity
- Dancers who do not wish to pursue competitions

✨ **Opportunities**

- Year-End Recital
- Optional community performances
- Optional competition opportunities (when available)

● Growth & Development Bundle (Click the title to view the schedule)

Designed for: Students who love dancing and are motivated to improve their skills.

Blue Pathway classes are offered as a bundle, meaning students must enroll in both classes together.

✓ **Purpose**

- Accelerate skill development through complementary training
- Build stronger technique and performance abilities
- Prepare students for additional performance and competition experiences

👏 **Perfect For**

- Dancers who are passionate about dance
- Students seeking more structured training
- Dancers interested in exploring competitions

✨ **Opportunities**

- Year-End Recital
- 1-2 community performance opportunities throughout the season
- Competition opportunities

2026-2027

Understanding Our Program Pathways

At 3Dz Dance, we understand that every child has different goals, interests, and levels of commitment. To help families choose the program that best fits their child, we have organized our classes into four different pathways.

🟡 **Acro, Technique & Athletic Development** (Click the title to view the schedule)

Designed for: Students who want to improve flexibility, strength, balance, and technical abilities.

We strongly recommend taking Strength alongside Acro or Technique classes. Building strength and flexibility helps students learn skills more safely, efficiently, and with better quality.

✅ **Purpose**

- Develop strength, flexibility, balance, and body control
- Improve technical execution and injury prevention
- Support progress in acro, dance technique, and athletic activities

🌟 **Benefits Beyond Dance**

The skills learned in these classes can also benefit students participating in activities such as:

- Figure Skating
- Artistic Swimming
- Gymnastics
- Cheerleading
- Other athletic and performing arts disciplines

🟣 **HEXA Dance Crew** (Click the title to view the schedule)

Designed for: Dedicated dancers who are passionate about street styles and K-pop dance and are ready for a higher level of commitment.

HEXA Dance Crew requires a **long-term commitment** and entry through an annual audition process held each July.

✅ **Purpose**

- Provide advanced dance training
- Build strong foundations in street dance styles
- Develop performance quality, teamwork, and professionalism
- Prepare dancers for competitive and professional opportunities

👏 **Perfect For**

- Highly committed dancers
- Students who love street dance and K-pop
- Dancers interested in pursuing dance at a serious level

🌟 **Exclusive Opportunities**

- Additional performance opportunities and competitions
- Special workshops and training experiences
- Crew-focused projects and events

HEXA is designed for dancers who are committed to continuous growth and are ready to challenge themselves both technically and artistically.

2026-2027

Program Introduction

Dance Foundation + K-Pop

A well-rounded program that combines dance foundations with K-pop choreography. Students will learn fundamental hip-hop techniques, rhythm, musicality, coordination, and introductory jazz elements that help them adapt to choreography more effectively. Through drills, exercises, and choreography practice, dancers build a strong technical foundation while enjoying their favorite K-pop dances.

Jazz Funk + K-Pop

Designed for dancers who want to strengthen their foundation while exploring the energetic style of K-pop. Students will focus on jazz funk fundamentals such as isolations, body control, power, performance quality, and clean lines. These skills are then applied to K-pop choreography to help dancers perform with greater confidence and expression.

K-Pop (Girl Group)

Perfect for dancers who want to focus primarily on learning K-pop choreography in a supportive environment. This class moves at a slower pace than our foundation programs and focuses on original girl group choreography, performance skills, musicality, and confidence. No extensive dance experience is required.

Hip-Hop & K-Pop (Ages 4-6)

An engaging introduction to dance for young children. Through games, creative movement, basic hip-hop movements, and age-appropriate K-pop choreography, students develop coordination, rhythm, listening skills, confidence, and a love for dance in a fun and positive environment.

Hip-Hop I

A beginner-friendly hip-hop program that introduces foundational grooves, footwork, rhythm, musicality, and basic hip-hop techniques. Students learn through structured exercises, freestyle activities, and choreography that help build confidence and body awareness.

Hip-Hop II

Designed for dancers with previous hip-hop experience who are ready for more challenging concepts and choreography. Students continue to develop musicality, grooves, performance quality, textures, dynamics, and execution while expanding their technical skills and movement vocabulary.

2026-2027

Break Dance

An exciting class that introduces the foundations of breaking, including top rock, footwork, freezes, coordination, musicality, and beginner power movement progressions. Students build strength, creativity, confidence, and problem-solving skills while learning one of the most dynamic street dance styles.

Strength

A supplemental training class designed to help dancers develop the strength needed for better performance and injury prevention. Students work on core strength, stability, endurance, and overall body conditioning through dancer-specific exercises that support growth in all dance styles.

Acro

Acro combines dance with athletic skills to improve strength, flexibility, balance, coordination, and body awareness. Students will learn age-appropriate acrobatic skills such as rolls, balances, bridges, handstands, and progressions based on their level. Safety-focused training and proper technique help students build confidence while developing strong movement foundations.

Technique

This class focuses on developing the technical skills that help dancers perform more cleanly and efficiently. Students work on flexibility, turns, jumps, balance, body alignment, extensions, and movement quality through targeted exercises and drills that complement their regular dance training.

2026-2027

Weather & Studio Closures

- In the event of severe weather or unforeseen circumstances, notifications will be sent via email and/or social media.
- Make-up classes or alternative arrangements will be provided when possible.

Performance Participation

- The Year-End Recital is a mandatory component of all children's programs. Throughout the season, students will work toward their recital performance as part of their class curriculum.
- Participation in the recital allows students to:
 - Build confidence and stage presence
 - Showcase their progress and achievements
 - Experience the excitement of performing with their classmates
 - Celebrate a full season of hard work and growth
- Families should make every effort to attend all scheduled recital rehearsals and performance dates. Additional details regarding costumes, rehearsal schedules, and recital fees will be provided during the season.

Community Performances & Competitions

- Community performances and competition opportunities may be offered depending on the program pathway. Participation in these opportunities is optional unless otherwise communicated for a specific team or event.

Media Release

- Photos and videos may be taken during classes, performances, and studio events for educational and promotional purposes. Families who prefer not to have their child photographed or recorded must notify the studio in writing.

Health & Safety

- Students who are sick, experiencing fever, vomiting, or other contagious symptoms should stay home.
- The studio reserves the right to ask a student to leave class if they appear unwell.
